PRESENT	
LM Cr Gordon Bradbery	Brad Anderson
Aunty Sharralyn Robinson	Leanne Olive

IN ATTENDANCE	
Armando Reviglio (Chair)	Emily Willdin
Scott Morgan	Martha Tyndall
Carly Pascoe	Diane Saunderson
	Kristeen Sandercock (Minutes)

- 1 WELCOME TO THE MEETING AND ACKNOWLEDGEMENT OF COUNTRY – CHAIR
- 2 APOLOGIES – Apologies were received and accepted on behalf of Cr Mithra Cox, Aunty Bev Armer, Michele Moore, Sue Savage, Ali Bradford.
- 3 DECLARATIONS OF INTEREST – NIL
- 4 CONFIRMATION OF MINUTES OF MEETING HELD ON 23 FEBRUARY 2021
Leanne Olive and Brad Anderson
- 5 BUSINESS ARISING FROM PREVIOUS MINUTES
Action Summary
 - Bus Shelters. There are numerous bus stops across the Wollongong Council area as such we need to know exactly which ones you feel require a shelter with seat.
 - Cleaning up of Figtree Birthing Tree.
 - Correspondence has been received requesting Council remove the ceramic artwork by Uncle Vic Chapman as it's causing distress among some members of the Aboriginal community given parts of its content.
 - Aunty Shaz expressed sadness this request was made. Uncle Vic's heritage and connection to this area along with significance of the place where the artwork is displayed is illustrated through the story in the ceramic artwork.
 - Aunty Shaz will speak with Sue Bessell and then to Sheryl Davis
 - Scott will contact Sheryl Davis to suggest she get support from other people in writing to Council stating why the artwork is to be removed
 - Lord Mayor advised that Council should be guided by Aunty Shaz before any action is taken
 - Welcome to Country Policy – approved by Council. The Lord Mayor said that an "Acknowledgement of Country" should not be spoken exactly the same each time, it needs to have meaning and context each time it is expressed.
- 6 DRAFT COMMUNITY LAND, PLAN OF MANAGEMENT (POM) AND THE FUTURE DRAFT CROWN RESERVES
POM UPDATE – MARTHA TYNDALL & EMILY WILLDIN
A handout showing a brief snapshot of both POMs was presented to each member (attached to the Minutes).
Draft Community Land POM
 - Generic POM for areas of community use has to be held over all land, formerly known as operational land under LGACT.

- 30 areas have been categorised as areas of Cultural significance and they have never had a POM on them previously. Council manage these areas, but not under a POM.
- State Environmental Plan (SEP) table steps through the processes before work can be done
- There are additional rules which adds an extra layer to Community Land management
- Council are asking members to look at the “significant” marked areas and let us know how we can manage these areas from a cultural perspective.
- Members reminded Council that an Aboriginal site officer is to be present at all times when digging in areas of significance.
- Whole document can be viewed through the link <https://our.wollongong.nsw.gov.au/draft-community-land-plan-of-management-2021>

Draft Crown Reserves POM

- Crown Reserve legislation defined by NSW Government
- Crown Land is categorised differently
- Community submissions will be considered and reported back to Council with the draft POM
- Hill 60 site has a specific POM – Council’s Master Plan for Hill 60
- Wollongong foreshore POM will happen after Hill 60 Master Plan
- “Heritage Value” has a schedule

These are both very complex and detailed documents and Martha offered any members to contact her individually if they required for information.

Lord Mayor and Chair thanked Martha for her time and the work involved to bring these large documents together.

7 CONFIRMATION OF 2021 NAIDOC WEEK GRANTS – SCOTT

Council provides a budget of \$6,000 to be dispersed between applicants. 10 applications were submitted to Council (sheet attached). 6 applications were recommended to be funded.

- It was noted the budget amount Council sets aside for these grants has been the same for many years. Can we make application to the General Manager to review the amount in the budget?
- The Illawarra Koori Men’s Support Group were excluded from receiving a grant as they did not meet the criteria of their event being delivered in the Wollongong LGA
- Suggest we ask General Manager to review the Policy which reads “only providing funds for NAIDOC Week events that are conducted within the Wollongong LGA”. The wording could say the event is conducted in the “Illawarra” area covering the Wollongong, Shellharbour & Kiama City Councils, the suggested event then would be considered “regional”. This would acknowledge that the Aboriginal Community of Wollongong is not restricted to the current local government boundaries of Wollongong alone.
- Lord Mayor recommended we ask the General Manager to acknowledge and support the Illawarra Koori Men’s Support Group event by making a “one off” payment for this year.

EXTRA AGENDA ITEM

Community Engagement Update – Diane Saunderson

- Aboriginal Community Engagement position was advertised – closing date for applications has been extended
- King George V Oval (Port Kembla) – this Master Plan will be presented at the June Council meeting. The report link to be sent to the Reference Group when ready.
- Corrimal Coke Works – when the gateway is open, a consideration to rezoning can be applied for and subject to a Development Application and a Joint Regional Planning Panel assessment for the 18.4 hectares

- Bellambi – 4 projects are currently being reviewed
 1. Rock pool car park and cycleway deviations
 2. Picnic shelters near rock pool
 3. Toilets at Bellambi boat ramp and car park
 4. Overflow boat and car park at Bellambi Point ramp

Lord Mayor left the meeting.

8 COMMUNITY DEVELOPMENT UPDATE – SCOTT MORGAN

Kembla Grange Cemetery

John Chilby (Operations Manager Memorial Gardens + Cemetery) met with Scott, Armando and other Community members to look at the space at the Cemetery. A drone will be used to get an overview of the area from above which will help with the landscape design. Workshops are planned to be held towards end of July/August. A geotech report on the layout will be done.

Welcome to Country Protocol
