- 7 DAPTO TOWN CENTRE UPDATE – Sally Anderson & Rebecca Jardim

A document is being prepared in draft form on the necessary improvements to the Dapto Town Centre for the next 10 years and will go on public exhibition from the 6 March 2017. There will be updates that can be achieved immediately and others will be medium to long term. The document will be looking at facilities, infrastructure, shade and seating. The public space needs to be more pedestrian friendly. There needs to be good balances between traffic flow and significant improvement for pedestrians.

Dapto Square is a very hot space facing west, with no bubblers or shade. Toilet facilities do need to be upgraded. There is a desire to incorporate in the design process a celebration of the unique areas in Dapto like Mullet Creek, the Escarpment, the people and the heritage of Dapto.

The document will be on public exhibition for 4 weeks until 3 April 2017. A kiosk will be set up at Dapto Mall on Saturday 18 March between 9.00am – 1.00pm and there will be poster size plans available for the public. We will also be engaging with four local schools. Dapto has a large older and a large younger population. As the West Dapto area gets built up the Dapto infrastructure will have even more pressure on it into the future.

This plan also sets up future actions and suggested actions for the future.

8 BOTANICAL GARDENS UPDATE – Martha Tyndall

The draft plans for the Wollongong Botanic Garden including Gleniffer Brae were sent to the Aboriginal Reference Group after this meeting for comment. Council wanted to consult with the Aboriginal Reference Group to see if they are aware of any special cultural significance between the local Aboriginal Community and the Wollongong Botanic Garden, and the land now occupied by Gleniffer Brae? Council wants to ensure that in developing Council's plans for the Botanic Garden, including the Gleniffer Brae manor house, that these matters of cultural significance can be considered and incorporated. Please contact Martha Tyndall on 4227 7549 or 0408 273 520 or mtyndall@wollongong.nsw.gov.au or Joel Thompson, Council's Heritage Officer on 4227 7111 by 22 March 2017.

It was also suggested that Martha contact Jade Kennedy at the Land Council and Sharralyn will check Land Council records.

To provide information to Reference Group members as soon as possible a letter plus two attachments have been sent out to the Aboriginal Reference Group members late February 2017.

9 PROPOSAL TO NAME PUBLIC PARK / VIEWING PLATFORM AT HILL 60

The suggestion of a park or viewing platform at Hill 60 to be dedicated to Rex Connor was not something the Aboriginal Reference Group and community would like to see happen and suggested another site in Port Kembla would be more appropriate.

Wongawilli Park name - it was suggested to use an Aboriginal name for Morton Bay Fig "Karrevaira". Aunty Bev checked with Carol Speechley and the correct spelling is as follows – "Karreuaira (Garreu Aira) Morton Bay Fig.

Farmborough Heights Reserve – a suggestion to take it to the Land Council and contact Paul Knight, the next meeting is on 22 March.

Lisa Burke requested contact details for Carol Speechley as the email address she has is no longer current on the contact list for Aboriginal Reference.
