From : Alissa Tran ( WCC)

Hope you are all well and enjoying a lovely start to the new year.

You may recall what we were doing last year as part of [Safer Cities: Her Way](#) project, where we heard from the women and girls about what would make them feel safer in specific public spaces and then worked to implement what we could.

In Dapto Square, there was some significant infrastructure improvements as well as the regular music events. We heard from the community that they were keen keep having live music and a Council presence in the area so we're coming back!

**Music and Chats in Dapto Square** will be held first Thursday of every month between February and April 2025.

Thursday 6 February 2025: 4-6pm

Thursday 6 March 2025: 4-6pm

Thursday 3 April 2024: 4-6pm

Come and enjoy live music in Dapto Square and have a chat with us.

Staff from Council's Community Development and Youth Services teams will be there. It's also a great chance to find out more about what's happening in your area, Council services, and projects open for feedback. Keep an eye on [Council's event page](#) to find out more.

Hoping you can share this with your networks. Feel free to come and visit us there or get in touch if you have any questions.

Thanks,  
Alissa Tran

As discussed, we have looked into the road closure at Cleveland on the 6<sup>th</sup> of April 2024 during a storm event. Council, SES and Emergency Services have confirmed they didn't close Fairwater Drive due to flooding. NSW Fire and Rescue and SES were involved in an incident on Cleveland Road that morning.
